Dear Andy, 5/15/95

I just wanted to drop you a note to say thank you for everything. I couldn't go into this my last day of work since I was busy getting Elman & Weiss' work done. I really appreciate all that you've done for me. You are an extraordinary individual and as always, I wish you the best. Also, thank you for a wonderful lunch my last day. I really needed that.

If you ever need any help with your work, please call me and I'll be happy to help you. Take care of
