thanks

1 Dear Andy,

Thank you for your help with a
very difficult situation.

It was very difficult to undertake
for me but your help & advice
did make a difference & I do not have the
headache - to me wealth is Health
everything else is secondary.

That's the long money conversation.
I am sorry about your Mom.
You and your Mom have been
in my thoughts and prayers
since the 21st. I intend to
take some of my money to make
my own money as a philanthropist
to give to her old age. I hope
to give to take care well.

I think we take our health for
granted sometimes. Again
thank you for your help in
such an important time.

Best regards
Robert Ford
