At first I thought the relationship would strictly be attorney & client. Almost similar to your over qualifications & social understanding as a friend, you prove me wrong & took the relationship to a nother level. Which make me feel like a babu in it's mother's care!! So I'm saying as a friend.

Thank You!!

Your Friend
Alex Cumberbatch

I believe in silver linings. ☆

☆ I believe in you. ☆

☆
R.s. - Same as your case, you'll beat the cancer & learn from it!!
